	material paper fiber, acrylic size 53*45 cm series - Desire (sex) work's name - Poems Whispered in the Dark The intense black is used to describe the ups and downs and breathing of each other in the room with the lights turned off. The blue lines show a little (remaining) reason, and the deep red metaphors intertwine, showing vitality. (playlist I listen: lowless world symbol&vibe : poppy, strong emotions with mysterious deep thinking, intuitions)	30,000 TWD (now 939.85 USD)
		

	material paper fiber, acrylic size 53*45 cm series - Desire (love) work's name - In my hands (在我之下) The background color is also black, which represents desire (corresponding to me personally), and the bright pink of high-frequency love is used as the main color of the description. It collects many people's feelings about the flow of lust and presents it in the form of a flowing mist. Finally, the red color is added to represent the original "movement" of love to express the lover's possession, need, and urgency. material (playlist I listen: lowless world symbol&vibe : heterochromatic rose, high-frequency love & personal love touch and produce fragmentary sparks, possessive)	30,000 TWD (now 939.85 USD)
