

Introduction of Ketina Lin

I'm Ketina Lin, born in Taiwan, an island which is full of love, tasty food and fancy fashion of the country.

I love the people who live here, they are powerful and friendly. Me expect. I'm sensitive, shy, like to create romantic and mysterious atmosphere.

Most of the time, I am immersed in my own little world.
This is the reason why I make art.
I like my world and want to express it to everyone.

Enjoy My Art,
Ketina.
